## **Problem Statement**

College students have food in their fridge but don't know what to cook, resulting in unhealthy dietary habits and wasted food. Our solution should provide students food recipes to cook from what is available.

## **Who is experiencing the problem?**

College Students.

## **What is the problem?**

College students don't know what to cook.

## **Where does the problem present itself?**

University Dorms.

## **Why does it matter?**

Many students opt out of cooking due to not knowing what to cook. They end up eating unhealthy fast foods instead. Therefore, available food goes to waste.
